Vision Camera

- Features a 640 x 480 CCD imager
- Exposure Time 0.1 to 2830 ms
- Pixel Size 7.4 X 7.4 microns
- Lens Mount C-mount
- Certifications CE: IEC Ip68

Wireless

- Power: +10 to 30V dc
- Power consumption: less than 1.4 W @ 24V dc
- Case material: polycarbonate
- Weight: 0.26 kg
- External cable gland: one 1/2" NPT type

Linear scales

- Linear scales for the length 15mm to 1200mm. Rod type and Rodless

(All Metal) Indestructible

- Mechanically and chemically rugged
- 3x standard distances on steel & non-ferrous metals, and consequently, less exposed to moving parts
- Pressure resistant up to 100 bar
- IP 68 & IP 69K

Product Range

RFID

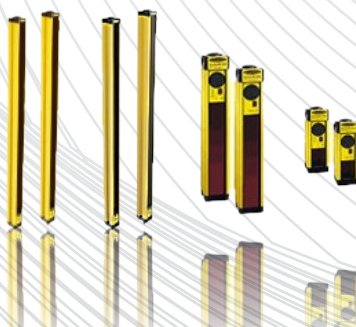

High Pressure

Connector Cables

Vision Sensors

Safety Light Curtains

EZ-Lights
